Description

Plastic case measuring 400 x 300 mm. The case has a capacity of 28.5 liters and a height, including a reinforced bottom, of 335 mm. The case is composed of a fully enclosed stacking bin, hinged lid with snap-slide closures, and two suitcase handles. A suitcase handle is attached to each short side, allowing for comfortable handling even with heavy loads. The snap closures ensure a secure closure of the lid, keeping the contents free from dust and dirt. The plastic case, along with its lid, is stackable and can be easily and efficiently transported on standardized pallets, mobile bases, and rolling containers. We supply seals and label holders as accessories for these cases.
