Description

This robust platform trolley is designed for the safe and efficient transport of Euro stacking bins in 600x400 mm and 800x600 mm formats. The non-slip platform measuring 800 x 600 mm offers the perfect surface for securely moving bins, crates or boxes. The foldable handle allows for space-saving storage when not in use. With a load capacity of 300 kg, this trolley is ideal for use in warehouses, production areas, dispatch zones and logistics. The black platform with blue handle gives it a modern and practical appearance.
