Description

Plastic stacking bin in **Euronorm format** 600 x 400 mm with a **picking opening on the long side**. The height including reinforced base is 320 mm. Thanks to the picking opening, the stacking bin is ideal for use as a storage bin. Due to its standardised dimensions, the stacking bin can be stacked with all other Euronorm stacking bins and is perfectly compatible with standardised pallets, mobile plastic trolleys or roll containers. The stacking bin is food-safe, has a hygienic design and is fitted with two practical open handgrips. Designed with reinforced base. **Picking opening dimensions: 490 x H 150 mm**.
