Article number	30.090.D00
Weight (kg)	0,94 kg
Temperature range	-20°C to +50°C, briefly up to +90°C
Color	Grey
Quantity per pallet	200

Properties

- **Universal loose-fit lid for Euronorm bins 600 x 400 mm**
- **Bins remain stackable when fitted with the lid**
- **With overhanging edge to protect against dust and dirt**
- **As the lid fits over the bin, this type of loose-fit lid is also referred to as an overhanging lid**
- **Please note: the external dimensions of the bin with lid increase by 10 mm all around, as the lid fits over the bin**
- **The top of the lid features drainage channels at the corners**
- **Suitable for direct contact with unpackaged food**
- **Options: lettering**

Description

Universal loose-fit lid / overhanging lid suitable for all Euronorm stacking bins, storage bins and stack-nestable bins measuring 600 x 400 mm. The loose-fit lid is food-safe and features an **overhanging edge** to protect against dust and dirt. Also ideal for use on, for example, COMBI crates and DUOCOLOR crates.

Application

Thanks to the **overhanging edge**, the loose-fit lid fully covers the contents of the bin. This helps keep out dust and other contaminants and improves **hygiene**.

Please note that the **external dimensions** of the **bin with lid** increase by **10 mm all around**.
