Description

Plastic case measuring 400 x 300 mm. The case has a capacity of 28.5 liters and a height, including the reinforced bottom, of 335 mm. It is composed of a fully enclosed stacking container, hinged lid with snap-slide locks, and two suitcase-style handles. A suitcase handle is attached to each short side, allowing for comfortable handling, even with heavy loads. The snap locks ensure a secure closure of the lid, keeping the contents free from dust and dirt. The plastic case, with its lid, is stackable and can be easily and efficiently transported on standardized pallets, mobile bases, and roll containers. We provide seals and label holders as accessories with the cases.
