# Recessed 1" screw plug - food-grade - for pallet boxes type SB, CB3 High or HB - unmounted

## Product specifications

| | |
|---|---|
| External dimensions ( L x W x H) | 40 × 40 × 33 mm |
| Material | HDPE |
| Article number | 89692164 |
| Weight (kg) | 0,03 kg |
| Temperature range | -30°C to +40°C, briefly up to +90°C |
| Color | White |

## Properties

- **Recessed screw plug with 1" external thread - complete with rubber sealing ring**
- **Fully food-grade**
- **The screw plug only needs to be opened a few turns to activate the outlet - meaning without removing the plug**
- **For mounting in SB pallet boxes, CB3 High pallet boxes and HB pallet boxes**
- **The pallet boxes mentioned have a provision for a 1" screw plug on one short side**
- **Before mounting, the pallet box must be fitted at this position with a 1" opening, into which a thread must be cut**
- **In these boxes, the screw plug is recessed, meaning it remains within the box contour after mounting - so it does not protrude**
- **Options: mounting in pallet boxes other than those mentioned above (in that case not recessed)**

## Description

White **1" plastic screw plug** with rubber sealing ring. The screw plug with external thread is suitable for mounting in SB pallet boxes, CB3 High pallet boxes and HB pallet boxes. The screw plug sits recessed within the outlet provision. After mounting, the plug remains within the box contour of these pallet boxes and therefore does not protrude. The screw plug only needs to be opened a few turns to activate the outlet. The screw plug can be mounted on one short side of these pallet boxes.
**Note: Before mounting can take place, the box must be fitted with a 1" opening, into which a thread must then be cut.**
