Article number: 30.642.RDH.10 Printing possible

Stacking bin - 600 x 400 x H 420 mm - closed handgrips - reinforced base - black

Product specifications

External dimensions (L x W x H)	600 × 400 × 420 mm
Internal dimensions (L x W x H)	553 × 353 × 404 mm
Max. stacking load (kg)	250 kg
Capacity	86 liter
Handles	Closed
Sidewalls	Closed
Material	PPC
Article number	30.642.RDH.10
Weight (kg)	3,3 kg
Temperature range	-20°C to +50°C, briefly up to +90°C
Color	Black
Bottom	Closed, reinforced
Load capacity (kg)	40
Quantity per pallet	20
Stacking height (mm)	408

Properties

- **Modern stacking bin from the BLACK LINE series. Dimensions: 600 x 400 x H 420 mm**
- **Fully closed design - both walls and base**
- **With closed handgrips - for optimal volume use and protection against dust etc.**
- **With a reinforced base**
- **The stacking bin is suitable for fitting hinged lids, optionally with snap closure**
- **Widely used for applications where an exclusive appearance is required**
- **Food-safe and hygienically designed**
- **Options: printing - hinged lids - coversheets**

Description

Plastic stacking bin in Euronorm format (600 x 400 x H 420 mm - 86 liter). Designed in black and part of our BLACK LINE series; a product line used especially for applications where an exclusive appearance is required. Catering, event catering and airport catering are good examples. This product line is also used for the sale and supply of exclusive meat products and fish products. The product line is very extensive and includes not only stacking bins, but also plastic pallets and pallet boxes; it is also regularly expanded.
Due to its standardised dimensions (600 x 400 mm), the stacking bin can be stacked with all other Euronorm stacking bins and is perfectly compatible with standardised pallets, mobile plastic trolleys or roll containers.
The stacking bin is food-safe, has a hygienic design and is fitted with two closed handgrips for optimal use of the bin's volume and to protect the contents as effectively as possible against external influences. Designed with a reinforced base (underside).
The stacking bin is also suitable for fitting hinged lids, optionally with snap closure. The lids are of course also available in black. Other colours are also possible to keep your own product lines separate. We call this "colour coding".
Everything for optimal logistics.
