Description

Lid container in Euronorm format 400 x 300 mm. The plastic lid container consists of a stacking container with a smooth bottom and an attached hinged lid. The plastic lid is removable when in the open position. With the two snap-slide closures, the lid is easy to open. This type of lid container is highly suitable for use as cutlery storage in event catering and rentals. Its internal dimensions are perfect for knives, forks, or spoons. The lockable lid prevents the cutlery from getting lost, damaged, or soiled during transport. We provide foam interiors, seals, and label holders as accessories for the lid containers.
