Description

Lidded bin from the BLACK LINE

Plastic stacking bin with hinged lid and two snap-slide closures; in **Euronorm format** (400 x 300 x H 90 mm - 7 liter). Finished in **black** and part of our **BLACK LINE series**.

Application

The BLACK LINE series is a product range mainly used in applications where **an exclusive appearance** is required. Catering, event catering and airport catering are good examples of this. This product range is also used for the sale and delivery of exclusive meat and fish products. The BLACK LINE series is also highly suitable for use as a promotional gift. The **lidded bins in case version** in particular are often used as **outer packaging for promotional gifts**, with contents that can vary widely. The BLACK LINE series is very extensive and includes not only stacking bins, but also plastic pallets and pallet boxes; the range is also regularly expanded.

Product details

Thanks to the **standardised dimensions** (400 x 300 mm), the lidded bin is **stackable with all other Euronorm stacking bins** and **perfectly compatible** with standardised pallets and mobile plastic trolleys or roll containers.

The lidded bin is food-safe, has a **hygienic design** and is fitted with two **closed handgrips** for optimal volume utilisation and to optimally protect the contents from external influences. Designed with a **smooth**, **easy-to-clean base** underside.
