Description

Perforated BIG BOX plastic pallet box (1200 × 1000 × H790 mm - 670 litre). Food-grade plastic pallet box on three pallet runners with perforated side walls and a perforated base. The perforations ensure good ventilation for fresh produce and allow moisture and condensation to drain away. The BIG BOX pallet box features convex, outward-bulging wall panels for optimal internal volume, providing up to 10% more volume compared to conventional pallet boxes.
