- **The basket height may be made exactly to size**
- **Basket has slots on four sides for colour clips, intended for content labelling etc. (see "Accessories" tab)**
- **Open construction for optimum washing result**

Description

Tall universal basket (500 x 500 mm) with a custom-made internal height of 171-250 mm, is suitable for mixed load with glassware and cutlery. Universal basket features a wide upper frame and an intermediate frame. Basket is 4-sided equipped with color clips. Bottom is open and specially reinforced; therefore suitable for use in basket transport machines with finger conveyor belt. Side walls and bottom have an open construction for optimum washing result and a faster drying process.
