Description

Transport box from the SOLID LINE

Plastic transport box with hinged lid and two white snap-slide closures; in Euronorm format (600 x 400 x H 439 mm - 86 liter). Finished in a neutral grey colour and part of our SOLID LINE - a modern stacking bin range with rounded corners and minimal ribbing. The transport box can be locked with a cylinder lock.

Applications

The transport box is ideal for transporting and storing voting documents and other papers and goods of a confidential nature. That is why our transport boxes from the SOLID LINE can be locked with a cylinder lock. If required, seals can be used for additional security.

Product details

Thanks to the standardised dimensions (600 x 400 mm), the transport boxes can be stacked with all other Euronorm stacking bins - with or without a lid. The transport box is food-safe, has a hygienic design and is fitted with two closed handgrips for optimal volume utilisation and optimal protection of the contents. The transport box is equipped with a single lock cylinder lock. The supplied keys therefore only open the cylinder lock of the corresponding box. The transport box is fitted with two plastic suitcase handles, allowing the box to be carried comfortably. Designed with a reinforced base - tailored to the large capacity.
