Description

BIG BOX plastic pallet box (800 × 600 × H945 mm - 250 litre) on wheels. Plastic pallet box on four galvanised swivel castors - 2 of which are braked. With closed side walls and a reinforced base. This mobile pallet box is assembled from a BIG BOX 1200 × 800 mm that is split into two halves. The open side is fitted with a black PE sheet that serves as a wall. Two boxes can then be placed against each other and function as a collection unit (1200 × 800 mm) in a production environment. The collection tray size is easy to handle.
