Description

Folding crate (400 x 300 x H 240 mm - 21 liters) from the CLEVER MOVE series. With a hinged lid in two halves. Walls are unlocked by a double pull closure on both long sides. Folding height is only 73 mm and when stacked, it is 62 mm; including the integrated lid elements. CLEVER MOVE BOXES can be stacked both unfolded and folded together. The lid is sealable. The folding box has two open handles and is suitable for food. A great space-saving distribution container.
