Product specifications

External dimensions (L x W x H)	600 × 400 × 210 mm
Handles	Open handles in lower basket and upper frame, for more comfortable carrying
Sidewalls	Open, for optimum washing result and a faster drying process
Material	PP
Article number	50.CR.620.P.12/12
Color	Grey
Bottom	Open and especially reinforced, so suitable for use in basket transport machines with transport hooks

Properties

Clixrack 600 dishwasher baskets are stably stackable with most Euronorm 600 x 400 mm stacking bins. 400 x 300 mm stacking bins may be stacked on the Clixrack 600

Clixrack dishwasher basket has slots on four sides for colour clips, intended for content labelling etc.

Clixrack 600 dishwasher baskets fit on roll containers with dimensions of 600 x 800 mm, on 800 x 600 mm half Euro-pallets, on 1200 x 800 mm Euro-pallets and on 1200 x 1000 mm Industrial pallets

The Combi-basket is provided with a combined subdivision for 12 cups, 12 saucers and four freely available spaces

The combi-basket's freely available spaces may be used for cutlery drainers for example

Description

Dishwasher basket Clixrack / Combination basket (600 x 400 mm) with combined subdivision for 12 cups (max. Ø 88 mm), 12 saucers (max. Ø 185 mm), and 4 freely available compartments (max. Ø 88 mm). The combination basket comes with a cutlery holder. Clixrack baskets have slots on all four sides for color clips to indicate inscriptions or contents.

Clixrack baskets stack stably together, even with other Euro-standard containers and crates. Due to their Euro-standard size, they fit perfectly on mobile stands, trolleys, or (plastic) pallets. Thanks to appropriate plastic subdivisions within the baskets, fragile contents are well protected. The open construction of the basket ensures an optimal washing result and a faster drying process. In short: cost-effective cleaning, secure transportation, and space-saving storage of glassware and dishes can now be achieved with a single basket.
