Description

Black stacking bin with lid with Euro norm size 400 x 300 mm. The container can be stably stacked on other Euro containers, with or without a lid. The lid container has an orange hinged lid, which is removable when in the open state. The container is also stackable with the lid. Due to the reinforced bottom, the lid container can handle extra heavy loads. The lid container, with its dimensions, efficiently fits on a standardized pallet, rolling container, and mobile base.
