Conical plug Ø 40-45 mm - for outlet Ø 42 - plastic - food-grade - white

Product specifications

External dimensions (L x W x H)	42 mm
Material	HDPE
Article number	80041000
Weight (kg)	0,02 kg
Temperature range	-30°C to +40°C, briefly up to +90°C
Color	White

Properties

- **Conical plug for outlet opening Ø 42 mm - without thread**
- **Plug diameter 40-45 mm - plug length without collar 37 mm / with collar 42 mm**
- **The conical plug clamps into the outlet opening**
- **If needed, the plug can be pulled out easily - without turning**
- **Used when the outlet is operated frequently - to prevent damage to the thread**
- **Preferably fitted in slightly thicker-walled products**
- **Made from food-grade plastic**
- **For mounting in, for example, our 210 litre and 400 litre transport bins and grit salt bins**

Description

Conical plug for an outlet opening Ø 42 mm - without thread. Because the plug is conical (Ø 40-45 mm), it clamps into the outlet opening. If needed, the plug can easily be pulled out - without turning. This works particularly well when the outlet is operated frequently and the plug has to be removed often. Because there is no thread, it cannot be damaged by frequent use.
The plug is preferably mounted in slightly thicker-walled products to prevent leakage. Our 210 litre and 400 litre transport bins and grit salt bins have a thickened wall for this purpose.
