Cooling element - separate - for Insulation box-in-box (600 x 400 mm)

Product specifications

External dimensions (L x W x H)	460 x 260 x 20 mm
Material	HDPE
Article number	30.ZZK.00001
Weight (kg)	1,2 kg
Color	Blue
Quantity per pallet	250

Properties

Cooling element for insulation box-in-box 600 x 400 mm (see "Related products").

Can be placed separately inside the insulation box-in-box.

This helps to maintain the contents of the insulation box-in-box at the desired temperature for an extended period.
