Description

The distribution bin with dimensions 400x300x264 mm is designed for versatile use across various industries, such as logistics and distribution. This robust, nestable bin features an integrated hinged lid that can be opened on both sides, providing easy access to the contents. With a capacity of 22 liters and a load capacity of 18 kg, this bin offers an efficient solution for storage and transport. The ribbed texture ensures that self-adhesive labels stay in place and can be easily removed when needed. Additionally, the bin can be equipped with security seals to protect goods against unauthorized removal. The distribution bin is made from high-quality PP (Polypropylene) and is resistant to temperatures ranging from -20 °C to 60 °C. The bin is fully recyclable, contributing to sustainability.
