Colorcode PMS 3005 C

Quantity per pallet 128

## Properties

Distribution bins are nestable and lid-stackable.

The distribution bins are provided with textured areas on the lid for stickers.

With bumper surfaces to prevent bins being displaced on roller tracks.

Distribution bins: space saving up to 65% in nested condition.

The nearly straight walls of the distribution bin ensure maximum volume.

Distribution bins have integrated label holders on both short sides.
