Description

The Euro overlay lid 300x200x27 is designed to fit perfectly on the 300x200 VDA R-KLT and RL-KLT series, ensuring a secure closure and enhanced stackability. Made of polypropylene (PP), this lid is durable and capable of withstanding heavy use, while also protecting the contents.

The stack height of 5.5 mm allows for space-saving storage and transport. Its compact size and lightweight design make it easy to handle and ideal for a variety of applications.
