

EuroClick stacking bin - 600 x 400 x H 175 mm - grey - closed

Product specifications

External dimensions (L x W x H) 600 x 400 x 175 mm

Internal dimensions (L x W x H) 556 x 356 x 161 mm

Capacity 38 liter

Handles Closed

Sidewalls Closed

Material PP

Article number 8308.000.C50

Weight (kg) 1,74 kg

Temperature range -20°C to +60°C

Color Grey

Bottom Closed, smooth

Max. load capacity per box 15 kg

Max. static stacking load 450 kg

Max. dynamic stacking load 225 kg

Quantity per pallet 48

Properties

Dimensions: 600x400x175 mm

Material: PP (Polypropylene)

Weight: 1.74 kg

Capacity: 38 liters

Operating temperature: -20 °C to 60 °C

Max dynamic load: 225 kg

Max static load: 450 kg

Ergonomic handgrips on all sides

Smooth walls for easy cleaning

Optional accessories: Clickbooster, Clickholder

Description

The Euroclick stacking bin with dimensions 600x400x175 mm is a versatile and efficient solution for storage and transport across various industries. Made from high-quality PP (Polypropylene), this stacking bin is lightweight yet strong and durable. The smooth walls and straight shape ensure a maximized internal capacity of 38 liters, while ergonomic handgrips on all four sides make lifting and handling easier. The double base rim allows smooth movement on conveyor rollers and minimizes deflection. The design with rounded corners provides additional strength and improved hygiene by reducing water retention. Optional accessories such as the Clickbooster, which increases the bin's height, and the Clickholder for clear labeling, offer extra flexibility and convenience.
