

Euronorm stacking bin - 600 x 400 x H 235 mm - grey - closed

Product specifications

External dimensions (L x W x H) 600 x 400 x 235 mm

Internal dimensions (L x W x H) 555 x 355 x 222 mm

Capacity 45 liter

Handles Closed

Sidewalls Closed

Material PP

Article number 9237.000.522

Weight (kg) 1,99 kg

Temperature range -10°C to +50°C

Color Grey

Bottom Closed, smooth

Max. load capacity per box 18 kg

Max. static stacking load 300 kg

Quantity per pallet 36

Properties

Dimensions: 600x400x235 mm

Material: PP (Polypropylene)

Weight: 1.99 kg

Capacity: 45 liters

Operating temperature: -10 °C to 50 °C

Max static load: 300 kg

Individual load capacity: 18 kg

Closed handgrips on both sides

Solid walls and base

Stackable, suitable for automation systems

Description

The stacking bin with dimensions 600x400x235 mm is designed for versatile use across various industries, such as logistics and manufacturing. With solid walls and base, this bin offers a capacity of 45 liters and can support a maximum static load of 300 kg and an individual load capacity of 18 kg. Made from high-quality PP (Polypropylene), it is resistant to temperatures ranging from -10 °C to 50 °C. The ergonomic design with closed handgrips on both sides ensures easy manual handling. The bin is compatible with Euro pallets, ensuring efficient logistics. Additionally, the bin is fully recyclable, contributing to sustainability.
