

Euronorm stacking bin - 600 x 400 x H 235 mm - grey

Product specifications

External dimensions (L x W x H) 600 x 400 x 235 mm

Internal dimensions (L x W x H) 555 x 355 x 220 mm

Capacity 43 liter

Handles Open

Sidewalls Closed

Material HDPE

Article number 9264.005.522

Weight (kg) 2,29 kg

Temperature range -10°C to +50°C

Color Grey

Bottom Closed, smooth

Max. load capacity per box 18 kg

Max. static stacking load 600 kg

Max. dynamic stacking load 300 kg

Quantity per pallet 40

Properties

Dimensions: 600x400x235 mm

Material: PP (Polypropylene)

Weight: 2.29 kg

Capacity: 43 liters

Operating temperature: -10 °C to 50 °C

Ergonomic design with open handgrips

Solid walls and base, easy to clean

Description

The stacking bin with dimensions of 600x400x235 mm is designed for efficient storage and transportation of various goods across different industries. This Euro container features sturdy solid walls and a solid base, providing a maximum internal storage capacity of 43 liters. The ergonomic design, with open handgrips on the short sides, makes the bin easy to handle for both manual and automated processes. Made from high-quality polypropylene (PP), the bin is resistant to temperatures from -10 °C to 50 °C, making it suitable for diverse applications. Additionally, this stacking bin is fully recyclable, contributing to sustainability and environmental friendliness.
