Properties

Dimensions: 800 x 400 x H 227 mm

Capacity: 56 liters

Food-safe

Fully closed plastic Euro norm stackable container

Reinforced bottom for extra strength

Handles on both short sides for easy handling

Suitable for various applications, such as storage and transport of food products and other goods.

Description

Fully enclosed stacking container in Euro-standard dimensions of 800 x 400 mm. This robust stacking container is equipped with two open hand grips. The container has a capacity of 56 litres and a height of 227 mm, including the reinforced base. This large-capacity stacking container can be perfectly combined with standard pallets and roll containers measuring 800 mm in width, enabling efficient use of storage and transport space.
