

Article number: 9239.750.522

Printing possible

Euronorm stacking bin - 800 x 600 x H 235 mm - grey

Product specifications

External dimensions (L x W x H) 800 x 600 x 235 mm

Internal dimensions (L x W x H) 760 x 560 x 205 mm

Capacity 87 liter

Handles Open

Sidewalls Closed

Material HDPE

Article number 9239.750.522

Weight (kg) 4,1 kg

Temperature range -10°C to +50°C

Color Grey

Bottom Closed, reinforced

Max. load capacity per box 20 kg

Max. static stacking load 550 kg

Quantity per pallet 18

Properties

Dimensions: 800x600x235 mm

Material: HDPE (High-Density Polyethylene)

Weight: 4.1 kg

Capacity: 87 liters

Operating temperature: -10 °C to 50 °C

Max static load: 550 kg

Individual load capacity: 20 kg

Smooth walls, easy to clean

Stackable, suitable for automation systems

Open handgrips on both sides

Description

The stacking bin with dimensions of 800x600x235 mm is designed for versatile use across various industries, such as logistics and manufacturing. Made from high-quality HDPE (High-Density Polyethylene), it withstands temperatures from -10 °C to 50 °C, offering a capacity of 87 liters. The solid walls and base provide strength and stability, with a maximum static load of 550 kg and an individual load capacity of 20 kg. The stacking bin is compatible with Euro pallets, enhancing logistics efficiency. The smooth walls allow for easy cleaning, contributing to a hygienic working environment. The bin is fully recyclable and features an ergonomic design, with open handgrips on both sides for easy handling.
