Printing possible

Euronorm stacking bin - 800 x 600 x H 412 mm - grey

Product specifications

External dimensions (L x W x H) 800 x 600 x 412 mm

Internal dimensions (L x W x H) 760 x 560 x 381 mm

Capacity 169 liter

Handles Open

Sidewalls Closed

Material HDPE

Article number 9313.750.522

Weight (kg) 6,17 kg

Temperature range -20°C to +40°C

Color Grey

Bottom Closed, reinforced

Max. load capacity per box 40 kg

Max. static stacking load 240 kg

Properties

Dimensions: 800x600x412 mm

Material: HDPE (High-Density Polyethylene)

Weight: 6.17 kg

Capacity: 169 liters

Operating temperature: -20 °C to 40 °C

Ergonomic design with open handgrips

Solid ribbed base, easy to clean

Description

The stacking bin with dimensions of 800x600x412 mm is designed for efficient processing, storage, and transportation of goods in various industrial applications. This sturdy Euro container features a solid ribbed base and offers a maximum internal storage capacity of 169 liters. The ergonomic design, with open handgrips on all four sides, makes the bin easy to handle for both manual and automated processes. Made from high-quality HDPE, this stacking bin is resistant to temperatures from -20 °C to 40 °C and easy to clean due to its smooth walls and base. Its versatility and robust design make it ideal for any logistical requirement.
