Description

Plastic stacking bin in **Euronorm format** 800 x 400 mm with a **picking opening on the long side**. Part of our **MIDI BOX** product range. The height including the reinforced base is 340 mm. Thanks to the **picking opening**, the stacking bin is ideal for use as a **storage bin**.

Thanks to its standardised dimensions, the stacking bin is **stackable with all other Euronorm stacking bins** and combines perfectly with **standardised pallets** and **mobile bases**. The stacking bin is food-safe, hygienically designed and fitted with two practical open handgrips. With reinforced base.

Picking opening size: 680 x H 200 mm.
