Product specifications

External dimensions (L x W x H)	1200 × 1200 × 978 mm
Internal dimensions (L x W x H)	1120 × 1120 × 833 mm
Capacity	1080 liter
Sidewalls	Entirely smooth, closed, collapsible
Material	HDPE
Article number	10.1329.C2.2
Weight (kg)	61,5 kg
Temperature range	-30 °C to +40 °C, briefly up to +90
Color	White
Bottom	Closed bottom, resting on 3 skids
Max. load capacity per box	950 kg
Max. static stacking load	6050 kg
Max. dynamic stacking load	950 kg
Quantity per pallet	5

Properties

- **Smartbox foldable plastic pallet box, size 1200 × 1200 × H978 mm**
- **The pallet base is closed and equipped with drainage holes.**
- **Fitted with 2 pallet runners.**
- **Made from thick-walled plastic, making it particularly robust and impact-resistant**
- **When folded, a volume reduction of more than 50% is achieved**
- **Folded height: 470 mm - stacked height: 440 mm**
- **Equipped with a hinged drop door on one long side**
- **Drop doors significantly reduce the lift-over height**
- **Drop door opening (long side): 850 × H370 mm**
- **Fitted all around with holders for label holders**
- **Easy to repair in case of damage with separately available spare parts**
- **At end of service life, the Smartbox is 100% recyclable**
- **Options: lid - without drop door - drop door short side - drop door long + short side - low version with height 805 mm - underside with 4 feet or 3 pallet runners - version with perforated walls**

Description

The foldable Smartbox type 1329.C2 is designed for efficient return logistics. When empty, the Smartbox can be folded down easily, reducing transport volume by more than 50%. The same benefits also apply when storing empty units, saving a significant amount of space - an important advantage since warehouse space is valuable. The Smartbox is widely used in industrial logistics thanks to its particularly robust design. The drop door ensures easy loading and emptying of the box. Because the Smartbox is made from virgin HDPE, direct contact with food is not a problem. This makes the food sector a well-known user of the Smartbox.
