Description

The glass basket 50.NK.110.115145.3X3L consists of a gray base basket with a green compartment division 3x3 - maximum glass diameter Ø149mm.
The glass basket with dimensions 500 x 500 has an inner height of 110 mm. Glasses with a height of up to 110 mm fit in this basket. Thanks to the open basket construction, washing water and drying air have very good access to glassware and porcelain. The dishwasher baskets achieve an optimal washing result and a faster drying process as a result. The bottom is also reinforced, allowing the basket to rotate in a basket transport machine with transport hooks. Transoplast's glass basket is exceptionally durable and has the best references in the market.
