Description

The glass basket 50.NKG.121.155185.4X4L consists of a gray base basket with a yellow compartment division 4x4 - maximum glass diameter Ø113mm.
The glass basket with dimensions 500 x 500 has an inner height of 180 mm. Glasses with a height of up to 180 mm can fit in this basket. Thanks to the open basket construction, washing water and drying air have very good access to glassware and porcelain. The dishwasher baskets thus achieve an optimal washing result and a faster drying process. The bottom is additionally reinforced, allowing the basket to rotate in a basket transport machine with transport hooks. Transoplast's glass baskets are exceptionally durable and have the best references in the market.
