Grid mat 536 x 363 mm - Mesh width 10 x 11 mm - PP natural white

Product specifications

External dimensions (L x W x H)	563 × 363 × 3 mm
Material	PP
Article number	47.2002782.1
Color	White

Description

Fine-mesh plastic grid of 536 x 363 x 1.6 mm, to be placed on the bottom of a Techrack cleaning baskets or Variogrid workpiece carriers 600 x 400 mm . The mesh size is 10 x 11 mm. Made of PP plastic, natural white color. A grid prevents small or protruding parts from falling through the basket. Ideal for cleaning bulk goods, for example.
