- **Suitable for industrial and professional use**
- **Versatile applications, including in the fish industry, vegetable sector, laundries, and heavy-duty settings**
- **Can be used as a centrifuge basket for cleaning vegetables or on fishing vessels.**

Description

Heavy-Duty Basket, Ø 480 x H 360 mm, with a capacity of 45 litres. Featuring a finely perforated base and side walls, as well as two moulded plastic carry handles. Thanks to its reinforced bottom rim and robust construction, the basket is ideally suited for industrial use in the fish processing industry, vegetable processing sector, laundries, and other demanding applications. Among other uses, this industrial basket is employed as a centrifuge basket for cleaning vegetables and is also widely used on fishing vessels.
