# Label holder - 216 x 91 mm - for EuroClick bins

## Product specifications

External dimensions ( L x 216 x 91 x 14 mm W x H)

Material PP

Article number 8315.000.4H7

Weight (kg) 0,035 kg

Color Green

## Properties

Dimensions: 216x91x14 mm

Material: PP (Polypropylene)

Weight: 0.035 kg

Lightweight and durable

Keeps labels securely in place

Suitable for Euroclick bins

## Description

The label holder for Euroclick bins, measuring 216x91x14 mm, is specifically designed to keep labels securely in place in logistics environments. Thanks to its lightweight, durable design, the label holder is easy to attach to Euroclick bins, ensuring a firm grip even in demanding industrial applications. Made from high-quality PP (Polypropylene), this label holder is ideal for labeling goods in a warehouse environment, making the identification and management of products more efficient.
