**Ideal for logistics and warehousing**

## Description

This lid for Euro containers with dimensions of 800x600x33 mm is a robust solution that provides optimal protection for your crates during storage and transport. The lid is suitable for safely and stably double stacking crates of the 800x600 mm format. Made from high-quality polypropylene (PP), the lid ensures durability and impact resistance. This product is compatible with a wide range of Euro containers and is ideal for use in various industries, including logistics and warehousing.
