Description

MaxiLog plastic pallet box (1200 × 1000 × H915 mm - 610 litre). Food-grade plastic pallet box with 4 galvanised swivel castors. The pallet box is fully closed, smooth-finished and has flat inner walls. This makes it easy to empty and clean. The MaxiLog box is lighter than the heavy-duty BIG BOX pallet boxes. As a result, it is easier to handle and also attractively priced. After all, it doesn't always have to be heavy-duty.
