Properties

- **With plastic rear tube, so that the bins at the back cannot slide out of the trolley**
- **The bin trolley is provided with four stainless steel swivel castors with nylon Ø 100 mm wheel, of which two braked, with stainless steel wheel fixing material**
- **The drainage crate is stacked on the collector bin and then slid into the recess**

Description

Plastic container trolley (540 x 660 x H 1360 mm), with 6 slots for Euro norm stackable crate sets: stacking crate 600 x 400 x H 58 mm as draining crate (order no. 3645.720 mm) and stacking bin 600 x 400 x H 85 mm as catch basin (order no. 3648.000 mm). Ideal for thawing fish and other foodstuffs. The trolley is equipped with 4 stainless steel swivel castors with nylon wheels Ø 100 mm, 2 of which are braked, with stainless steel fasteners. Other sizes and designs available on request.
