All lidded bins with case handle are stackable with lid

## Description

Plastic case in the dimensions of 400 x 300 mm. The case is composed of a Euro norm stacking bin, a hinged lid with two snap-slide fasteners, and two suitcase handles on the short sides. The case is securely sealed during transport, ensuring safe and dust-free transportation of the cargo. The plastic case is stackable and compatible with other Euro norm cases and stacking bins made of plastic. With a mobile base or a rolling container, the case can be transported ergonomically.
