Bottom Closed, reinforced

Quantity per pallet 96

Properties

The plastic case is provided with a reinforced base

Description

Grey case in Euro format (400 x 400 x H 135 mm – 15 litres) is made of food-grade plastic. The case is designed with a lid and quick-release closures for practical use. Featuring closed side walls and a reinforced, sealed base, the case offers optimal protection. The base is additionally reinforced to ensure durability and robustness, even under heavy loads.
