- **Produced from standard recycled material**
- **Does not absorb moisture and does not develop mould**
- **For smooth export to IPPC countries in accordance with ISPM 15**
- **No treatment against unwanted insects and other pests is required**

Description

Plastic pallet type 6040 MR in a nestable design with an open deck. Used as an export pallet, and also widely used as a display pallet for in-store presentations in retail or wholesale.

The pallet is designed with 4 feet. The feet are positioned so the pallet can easily be entered and handled with a hand pallet truck.
