Mobile custom-made plastic base.

Description

Dolly / mobile plastic hygiene base. Custom-made for barrels, tubs, and industrial baskets. Standard equipped with 4 galvanized swivel wheels - with nylon wheels Ø 100 mm. The base is made of solid plastic (15 mm) and is custom-made for the load carrier. Other wheel options such as stainless steel wheel forks, braked wheels, different diameters, different treads, etc. are of course possible. Ask our product specialists about the possibilities. Indestructible base for use with barrels and tubs.
