Article number: 99.ZBOV.G

Plastic trolley custom-made - square

Product specifications

External dimensions (L x W x H)	195 mm
Dynamic load capacity	300 kg
Material	HDPE
Article number	99.ZBOV.G
Color	White

Properties

The base can be completely customized to your preferences.

Description

Dolly / mobile plastic hygiene base. Custom-made for stacking bins, stack-nestable bins, nestable bins, and baskets. Equipped with 4 galvanized swivel wheels with nylon wheels Ø 100 mm. The base is made of solid plastic (15 mm) and is made exactly to measure for the respective load carrier. Other wheel options such as stainless steel wheel forks, braked wheels, a different wheel diameter, a different tread, etc. are of course possible. Ask our product specialists about the possibilities.
