Properties

- **Plastic runner - made of 25 mm solid PE plastic**
- **Used for 400 litre transport bins and 400 litre Multi Purpose containers (item number 8101....)**
- **The runners reinforce the feet of the bin and prevent wear**
- **Each runner is fitted with 2 sockets for feet**
- **During installation, the feet are inserted into the runner and fixed and sealed with PE welding rod**
- **Retrofitted installation is also possible using (stainless steel) chipboard screws**

Description

Loose plastic runner for 400 litre transport bin and 400 litre Multi Purpose container (item number 8101....). Made of 25 mm solid PE plastic. Each runner is fitted with 2 sockets for feet. During installation, the feet are inserted into the runner and then fixed and sealed with PE welding rod.
The runners reinforce the feet of the bin and prevent wear. This significantly extends the service life of the bin.
