# Mobile SB3 pallet box - 1200 x 1000 x H 945 mm - 4 swivel castors - rubber tread - grey

## Product specifications

| | |
|---|---|
| External dimensions ( L x W x H) | 1200 × 1000 × 945 mm |
| Internal dimensions (L x W x H) | 1110 × 910 × 620 mm |
| Capacity | 610 liter |
| Sidewalls | Closed, reinforced |
| Material | HDPE |
| Article number | 81941891.ZW |
| Weight (kg) | 43,5 kg |
| Temperature range | -30°C to +40°C, briefly up to +90°C |
| Color | Grey |
| Bottom | Closed, reinforced |
| Max. load capacity per box | 600 kg |
| Max. static stacking load | 600 kg |
| Max. dynamic stacking load | 600 kg |
| Quantity per pallet | 2 |

## Properties

- **Mobile plastic pallet box type SB3, size 1200 × 1000 × H945 mm - 610 litre**
- **Fitted with 4 galvanised swivel castors Ø 125 mm - with non-marking rubber tread**
- **4 swivel castors for optimal manoeuvrability**
- **Pallet boxes with wheels remain stackable with each other**
- **Flat walls for quick cleaning and easy emptying**
- **Closed side walls, reinforced base - for safe storage and transport**
- **Very robust pallet box - widely used across virtually all industries**
- **Heavy-duty impact zone with ribs underneath - to prevent forklift impact damage**
- **Available in 6 colours: grey, blue, green, red, black and yellow**
- **With a 1" outlet fitting on one short side**
- **With a 2" outlet fitting on one long side**
- **Options: lid - lettering - QR codes and barcodes - dividers - 2 fixed and 2 swivel castors (for maximum steering control) - braked castors - stainless-steel castors (white nylon wheel) - check taps - 1" and 2" screw plugs - coversheets**

## Description

Mobile plastic pallet box type SB3 (1200 × 1000 × H945 mm - 610 litre), featuring smooth, flat inner walls that are easy to clean. The exceptionally smooth-running castors with rubber tread make this mobile pallet box highly popular for use in warehouses and order-picking areas. The SB3 pallet box is robust, impact-resistant and ideally suited for intensive use. The lower wall panels are additionally reinforced to prevent impact damage caused by forklifts. This buffer zone ensures trouble-free use, even when the box is moved mechanically. The SB box is made from 100% virgin, frost-resistant plastic, making it very suitable for applications in the food industry. The upper rim includes two slots for fitting RFID transponders. These transponders enable coding of the box and its load. SB3 pallet boxes are fitted with a 1" outlet fitting on one short side and a 2" outlet fitting on one long side. In its mobile version, the SB3 combines the robustness and versatility of the pallet box with the mobility of the wheeled base. The result is a highly efficient load carrier that supports a flexible and practical workplace layout.
