Stacking bin - 200 x 150 x H 145 mm

Product specifications

External dimensions (L x W x H) 200 x 150 x 145 mm

Internal dimensions (L x W x H) 167 x 117 x 135 mm

Max. stacking load (kg) 100 kg

Capacity 3 liter

Handles Closed

Sidewalls Closed

Material PP

Article number 6496.000.502

Weight (kg) 0,28 kg

Temperature range -20°C to +80°C

Color Grey

Bottom Closed, smooth

Colorcode RAL 7040

Load capacity (kg) 5

Quantity per pallet 224

Properties

Plastic stacking container in Euro norm format (200 x 150 x H 145 mm - 3 liters).

Fully enclosed design.

Smooth bottom.

Capacity of 3 liters.

Description

Compact Euronorm stacking bin for light-duty applications

This plastic stacking bin with Euronorm dimensions of 200 x 150 x 145 mm is the ideal solution for efficiently storing, sorting, and transporting small, lightweight goods. With a capacity of 3 litres and a weight of only 0.28 kg, it is particularly suitable for fine-grained logistics and warehouse operations — for example, as a cutlery tray, sorting bin, or part of a modular storage system.

Closed and hygienic design

The stacking bin is fully enclosed: both the base and sidewalls are sealed and smoothly finished. This prevents the accumulation of dust or dirt and makes the bin easy to clean. Made from food-safe PP plastic, this stacking bin is suitable for applications where hygiene is essential, such as in the food industry, laboratories, or pharmaceutical environments.

Space-saving and temperature resistant

Thanks to its Euronorm sizing, the bin is perfectly stackable and compatible with other Euronorm bins, ensuring efficient use of space on shelves, transport trolleys, and in storage areas. It is also temperature resistant from -20°C to +80°C, making it suitable for use in cold storage, freezers, and warmer environments.

Lightweight yet strong

Despite its compact size, the stacking bin has a load capacity of 5 kg and a maximum stacking load of 100 kg. The closed handles provide additional strength and help prevent dust or liquids from entering the bin.
