Stacking bin - 450 x 255 x H 105 mm

Product specifications

External dimensions (L x W x H)	450 × 255 × 105 mm
Internal dimensions (L x W x H)	400 × 210 × 100 mm
Capacity	8 liter
Handles	Closed
Sidewalls	Closed
Material	HDPE
Article number	93.3104
Weight (kg)	0,6 kg
Temperature range	-30°C to +60°C
Color	White
Bottom	Closed, smooth

Properties

Very smoothly and hygienically made

Description

The stackable container, measuring 450 x 255 x H 105 mm with a capacity of 8 liters, is available in natural white or gray. This container is designed in a fully closed configuration, with a smooth bottom for easy stacking and cleaning. The handles are cleverly integrated into the top edge, making them comfortable to grip during handling.

This stackable container is a robust choice, with its strength reinforced by the wall thickness and choice of materials. It withstands heavy loads and offers durability for long-term use in various environments. Whether for storage in a warehouse, transportation of goods, or use in manufacturing facilities, this stackable container ensures reliability and efficiency.
