Stacking bin - 800 x 600 x H 510 mm (on feet)

Product specifications

External dimensions (L x W x H)	800 × 600 × 510 mm
Internal dimensions (L x W x H)	720 × 515 × 400 mm
Capacity	140 liter
Handles	Closed
Sidewalls	Closed, reinforced
Material	HDPE
Article number	93.9114
Weight (kg)	12 kg
Temperature range	-30°C to +80°C
Color	White
Bottom	Closed, reinforced

Properties

140 L transport bin on feet may also be stacked: when stacked without lid, the feet go inside the bin

Description

The Plastic Stackable Euro Container Euronorm, also known as a transport container, with dimensions of 800 x 600 x H 510 mm and a capacity of 140 liters, offers a practical and versatile solution for both storage and transportation. This closed storage and transport container stands on four legs, allowing it to be easily placed on pallets and moved with forklift trucks.
With a generous capacity of 140 liters, this stackable container provides ample space for storing and transporting various goods, from smaller items to larger objects. Whether for use in warehouses, distribution centers, or for logistical purposes, the Plastic Stackable Euro Container Euronorm is a reliable and efficient choice for organized storage and seamless transportation.
