

# Stacking bin - 600 x 400 x H 75 mm - closed handgrips - smooth base - grey

## Product specifications

|                                  |                                     |
|----------------------------------|-------------------------------------|
| External dimensions ( L x W x H) | 600 x 400 x 75 mm                   |
| Internal dimensions (L x W x H)  | 555 x 355 x 72 mm                   |
| Max. stacking load (kg)          | 250 kg                              |
| Capacity                         | 14.1 liter                          |
| Handles                          | Closed                              |
| Sidewalls                        | Closed                              |
| Material                         | PP                                  |
| Article number                   | 30.608.GDH.1                        |
| Weight (kg)                      | 1 kg                                |
| Temperature range                | -20°C to +50°C, briefly up to +90°C |
| Color                            | Grey                                |
| Bottom                           | Closed, smooth                      |
| Colorcode                        | RAL 7040                            |
| Load capacity (kg)               | 20                                  |
| Quantity per pallet              | 124                                 |
| Stacking height (mm)             | 67                                  |

## Properties

Modern stacking bin from the **SOLID LINE** series.  
Dimensions: 600 x 400 x H 75 mm

For a wide range of applications: industrial and craft use, as well as hospitality, catering and logistics

Fully closed design - both walls and base

With closed handgrips - for optimal volume use and protection against dust etc.

The base is completely smooth and flat for optimal hygiene

The stacking bin is suitable for fitting hinged lids, optionally with snap closure

Food-safe and hygienically designed

Options: printing - hinged lids - coversheets

## Description

Plastic stacking bin in Euronorm format (600 x 400 x H 75 mm - 14 liter). Designed in grey and part of our SOLID LINE - a product line that is used in a very wide range of applications. Users include industrial and craft businesses, as well as the hospitality, catering and logistics sectors.

Due to its standardised dimensions (600 x 400 mm), the stacking bin can be stacked with all other Euronorm stacking bins and is perfectly compatible with standardised pallets, mobile plastic trolleys or roll containers.

The stacking bin is food-safe, has a hygienic design and is fitted with two closed handgrips - for optimal use of the bin's volume and to protect the contents as effectively as possible against external influences. Designed with a hygienic, smooth base (underside).

The stacking bin is also suitable for fitting hinged lids, optionally with snap closure. The lids are available in various colours. This allows different applications to be identified. We call this "colour coding".

Everything for optimal logistics.
