Stacking bin with hinged lid and 2 snap-slide locks

Description

Black lidded container in Euronorm format 300 x 200 mm. The container with a hinged lid is equipped with two snap-slide locks. Due to the closed side walls, the closed bottom, and the snap locks, the lidded container seals effectively. This makes the lidded container highly suitable for dust-free storage of cutlery and small items. Manufactured from food-grade plastic.
