566 x 366 x 72 mm

Max. stacking load (kg)  
200 kg

Capacity  
14.1 liter

Handles  
Closed

Sidewalls  
Closed

Material  
PP

Article number  
30.608.DB.4

Weight (kg)  
1,9 kg

Temperature range  
-20°C to +80°C

Color  
Red

Bottom  
Closed, smooth

Colorcode  
RAL 3020

Load capacity (kg)  
20

Quantity per pallet  
124

## Properties

With a smooth bottom and closed handles.

Lid containers can also be stacked with their respective lids.

Lid containers feature a detachable hinged lid.

The lid container comes with two snap-slide closures in the lid.

## Description

This red stacking bin with lid has the practical Euro norm dimensions of 600 x 400 mm. Consequently, it is stackable with all other Euro norm lid containers and stacking containers. Additionally, it perfectly fits without space wastage on a standardized pallet, rolling container, or mobile base. The lid container is composed of a fully enclosed stacking container with a hinged lid and two snap-slide closures. These closures ensure secure sealing and easy opening of the lid container. The lockable lid prevents the cargo from getting lost, damaged, or contaminated during transport.
